

About Us

Description

Welcome to Ally Home Care **Quality Care You Can Trust**

Ally Home Care provides in-home care services for seniors or those living with disabilities. Our services are available 24 hours a day, 7 days a week. Call today for more information or to schedule a free in-home assessment. Get help at home for all activities of daily living such as personal care and grooming, medication management, meal and special diet management, ambulation and transfer, escort to medical appointments, running errands such as grocery shopping and much more.

Our agency is committed to providing the care you need at your home to help you stay independent. Ally Home Care is fully licensed by the State of Georgia Department of Community Health and is also fully bonded and insured. Our compassionate Caregivers are vetted, trained and supervised.

â??
Starting 2021 The medicaid waiver program has introduced the Structured Family Caregiving Program. Get paid to take care of your loved ones!!!

If you are seeking a referral for SOURCE, CCSP or the Structured Family Caregiving Program via the Medicaid Waiver Program please fill out the form below:

Medicaid referral for Home Care Services

What is a Medicaid Waiver?

For persons with limited financial resources and functional limitations, Medicaid pays for home care services (personal care services).

Personal Support Services â?? housecleaning, shopping, assistance with meal preparation, and assistance with day-to-day activities, such as bathing, mobility, using the bathroom, etc.

You may also qualify for other services such as Home Delivered Meals, Emergency Response System and Skilled Nursing.
